

Pearl Class Global Gardens Homework- Please complete one **OPTIONAL** homework task each week from the grid below and return tasks to school each week on **Wednesday**.

	<u>Knowing</u>	<u>Understanding</u>	<u>Applying</u>	<u>Analysing</u>	<u>Creating</u>	<u>Evaluating</u>
Verbal and Written I enjoy reading, writing, speaking and listening	Play the game, 'I went to the Eden Project/Park/Forest and I saw a....' game.	How many words can you make only using letters in the word sunflower ? 	Write a poem about a tree, a garden, a rainforest or a desert. 	Identify things around your home that are products of trees. Remember what trees give us! Write a review about them.	Create your own version of the story Jack and the Beanstalk. 	Reflect on the story that you have written. Did you use... *exciting sentence openers *adjectives *connectives *adventurous punctuation How could improve your story?
Mathematical I enjoy working with numbers and sequences	Play Kim's memory game with a tray of plants, flowers, leaves, fruit or vegetables. Name the object that was removed.	Ask your family and friends what is their favourite and least favourite vegetable? Make a chart of the results.	Draw a 4 season chart of a garden, showing the same scene for each season (Spring, Summer, Autumn and Winter).	Make a seed shaker to sound like the rain in a rainforest or a desert wind. Record the types of seeds used and how many in a chart.	Design your own garden Check out: http://www.geffrye-museum.org.uk/kidszon e/garden/ Choose a knot, Elizabethan, Georgian, Victorian or Modern.	What type of plants would grow best in your garden? How would you look after your garden? Which creatures help your garden grow? Would you want slugs in your garden?
Visual I enjoy painting, drawing and visualising	Draw a labelled diagram of a tree or plant. 	Make a symmetrical pattern using leaves, petals, seeds or flowers.	Collect, press and dry some leaves or flowers to decorat bookmark.	Compare a piece of work by Andy Goldsworthy with the painting Sunflowers by Van Gogh.	Create a colourful sculpture using vegetables.	What changes could you make to your sculpture? Explain why.
Kinaesthetic I enjoy doing hands on activities, sports and dance	Go on a food hunt at home. What food can you find? Where in the world was the food grown?	On a world map mark the different countries where the food you found originates.	Grow some sprouting seeds or grow leaves from the tops of carrots, parsnips, turnips or a pineapple. 	Using food dye, make some rainbow flowers or celery. Explain what happened.	 Create a living miniature garden (plate, tray or bottle) garden of a rainforest, desert, countryside or fairy garden.	How well does your miniature garden grow? Did you meet all the needs of the plants? How could you improve your garden?
